### Santa Cruz Bars

#### Bad Animal

##### **Downtown: <https://goo.gl/maps/R1Y5hHB6PAY9h8KS7>**

Awesome used book store (great curation!) with equally great wine selection that you can sip on while perusing the selection. Includes small thai restaurant Hanloh (see restaurants).

#### The Apéro Club

##### Seabright: <https://goo.gl/maps/hJ18vKX1ARnBg4d49>

Lively wine bar with selection of natural/organic wines.

#### Brady's yacht club

##### Seabright: <https://goo.gl/maps/88rEhJWwSfQoE1FV6>

Classic, offbeat dive bar where you'll find old retirees sitting next to a college student sitting next to a dog who appears to be there by himself. \$5 drafts! One pool table (usually taken). Can get busy on the weekends. Walking distance to our house.

#### Lupulo

##### Downtown: <https://maps.app.goo.gl/4psSGatcTQsc3Tt16>

Craft beer house popular with locals. Good vibes and a good amount of events throughout the week

#### Birichino Tasting Room

##### Downtown: <https://maps.app.goo.gl/fQhXMPHXeDhjjnfq8>

Freindly wine bar for a local vineyard located just off of the main downtown drag. Birichino are some of the best in the area

#### Fast Eddy's Billiards

##### Capitola: <https://goo.gl/maps/GUNopCQLKaBJEo1X7>

Lots of pool tables to choose from (pay by the half hour) and sells beer by the pitcher. What more could you want?

#### MeloMelo Kava Bar

##### Downtown: [https://maps.app.goo.gl/xsd5Q8MdSt923D2t9?g\\_st=ic](https://maps.app.goo.gl/xsd5Q8MdSt923D2t9?g_st=ic)

Great vibe downtown. Only serves kava drinks! If you've never tried it, its acquired taste but worth trying!

#### Humble Sea on the Wharf

##### SC Wharf: <https://maps.app.goo.gl/MwHLAmqQFnVgk2XZ6>

Good beer within earshot of the seals on the wharf. Would normally go to their brewery on the west side, but this is stopping by if its your first time here and you'll likely go to the boardwalk anyways

## □ Santa Cruz Breweries

Tons of breweries in Santa Cruz. They're all great and offer unique vibes. Check their instagrams for weekly events (trivia, drag bingo, comedy, live music).

## □ Santa Cruz Wineries

The Santa Cruz mountains are a mini hot spot for California wine. I haven't actually visited many of the wineries but have enjoyed many of their bottles.
